## GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Trouble. Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any drug store a few ounces of Eucated Magnesia and take a teaspoonful in a quarter of a glass of water right after each meal. This will drive the gas, wind and bloated feeling out of the body, soothe the stomach, neutralize the excess acid and prevent its formation and there is no sourness or pain. Eucated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach; in fact it is the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

## Sticky Perspiration

This dirty nuisance is truly a handicap to all bodily comforts at all times, and more especially in the summer, your clothes become almost a portion of your skin. Tyree's Antiseptic Powder is almost a specific for Prickly Heat, Poison and Mosquito Bites. When used in the same dilutions its application is very pleasant and noncauterizing.

## ROCKVILLE NEWS

**Handsome New Home Planned By Masons of Bethesda District.**

ROCKVILLE, Md., July 25.—Masons of Bethesda district, this county, have under contemplation, it is said, the erection of a handsome building at the junction of the Rockville Georgetown pike and the old Georgetown road. It is planned to build a handsome brick structure, the upper floors to be used for lodge purposes, and the lower floor to be available for business purposes. It is hoped to begin building operations in the fall.

Marion D. Darby, of Rockville, who several weeks ago announced himself a candidate for the Democratic nomination for sheriff, has decided he does not desire the nomination, and is notifying his friends to that effect. His withdrawal reduces the number of aspirants for the nomination to five.

The annual meeting of Ridgely Brown Camp of Confederate Veterans, of this county, will be held in the courthouse here on August 2. Officers will be chosen and other business transacted. Following a custom of many years, the members of the camp will be entertained at dinner at the Montgomery Hotel.

Licenses have been issued by the clerk of the circuit court here for the marriage of Miss Mary Rooney, of Forest Glen, this county, and John Edward Erb, of Philadelphia, and Miss Helen C. Hallstarke and Paris W. Anderson, both of Washington.

William H. Johnson, of Gaithersburg, was fined \$5 and costs by Judge Galtier in the police court here yesterday afternoon upon pleading guilty to not having a muffler on an auto-truck he was operating.

## HYATTSVILLE NEWS

A ball will be held in the evening.

Members of the local troop of Boy Scouts and their parents and friends tonight will tender a reception to Rev. A. K. Stockebrand, retiring assistant scoutmaster in the First Baptist Church here. Mr. Stockebrand has resigned as pastor of the First Baptist Church to accept a call to the First Baptist Church, of Manassas, Pa.

Many of the best riders in this section are entered in the tournament tomorrow at Springfield. Joseph Addison and Thomas P. Littlepage will be the speakers. Herndon Leach and John M. Bowie will be marshals.

Preliminary plans for the annual town carnival in Mt. Rainier will be made at a special session of the mayor and council in the office of the town clerk and treasurer tonight.

Final details for the carnival to be conducted by the Capitol Heights Chapter of the Daughters of America on the firemen's lot on August 5 are being worked out.

## UPPER MARLBORO

UPPER MARLBORO, Md., July 25.—In the case of Herman Stensrud against the mayor and common council of Mount Rainier, Judge Pillsbury held in the circuit court here, who, on June 20 last, granted an injunction against the town, has handed down a decision dissolving the injunction so the town authorities can now proceed to provide the citizens with water and sewerage facilities.

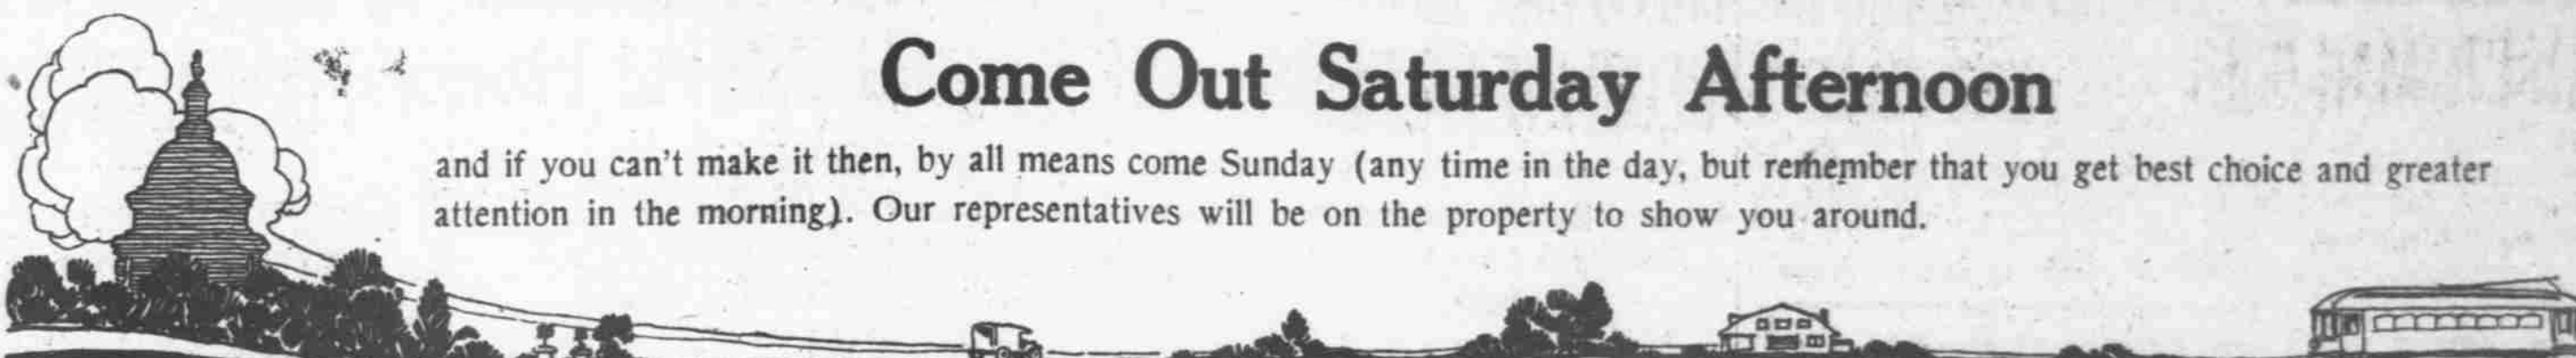

The application for injunction was filed by Stensrud with the primary object of securing a waiver of penalties for failure to complete the contract in the time specified. These penalties, the plaintiff claimed, should not be exacted on account of the unusual conditions in the material and labor market due to the war.

The clerk of the court, Summerfield D. Hall, has issued these marriage licenses: George E. Hutchinson, Camp Springs, Md., and Dorothy Bell, Congress Heights, D. C.; Benjamin Richards, Brandywine, Md., and Dora Carter, Nottingham, Md.; James Millard, Jr., Forestville, Md., and Rosie Mangum, Bellefield, Md.; Charles Barr, Hyattsville, and Lillian Roberts Moxley, Hyattsville; Ellis George Duley, Rosaryville, Md., and Helen Irene Edelen, Cheltenham; Walter N. Preston, Hyattsville, and Ruth M. Degges, Hyattsville; Theodore E. Hoffman and Anna M. Kraus, both of Washington; Francis Leroy Taylor and Loretta S. Bond, both of Tuxedo, Md.; Richard E. Deiment and Elizabeth Gertrude Jenkins, both of Piscataway, Md.; Albert L. Mortfeld and Caroline D. Cogswell, both of Washington.

It is reported that Friends of Register of Wills George P. Hickey are urging him to retire from the contest for re-nomination and to run for county treasurer and throw his support to J. J. Crowley, who aspires to the office now held by Hickey. J. Sims Jones, of Vanaville district, has formally announced his intention of seeking one of the Democratic nominations for the house of delegates. J. E. Coffren, of Marlboro district, and William H. Anglin, of Hyattsville district are other announced aspirants for the legislature on the Democratic ticket.

Here is an ideal suburb with everything you could desire offered at such prices and on such terms that make it easy for anyone to become a land owner.

Beautiful homes are built right up to the subdivision. Every modern municipal improvement available. Every block will be divided into building lots; streets have been cut through and are being graded. You have your unrestricted choice of lots in this subdivision. There are no choice locations held out; there are no reservations for any purpose whatsoever. The lots you like are the lots you get; provided somebody has not already beaten you to them.

There is no limit that can be set to the value of these lots when you people begin taking possession of them. No one in the world can tell where the remarkable growth of the city of Washington will end. We only know that Washington today is cramped for room and it must expand. Riverdale Heights is in the direct path of its expansion.

## The Men Back of Riverdale Heights

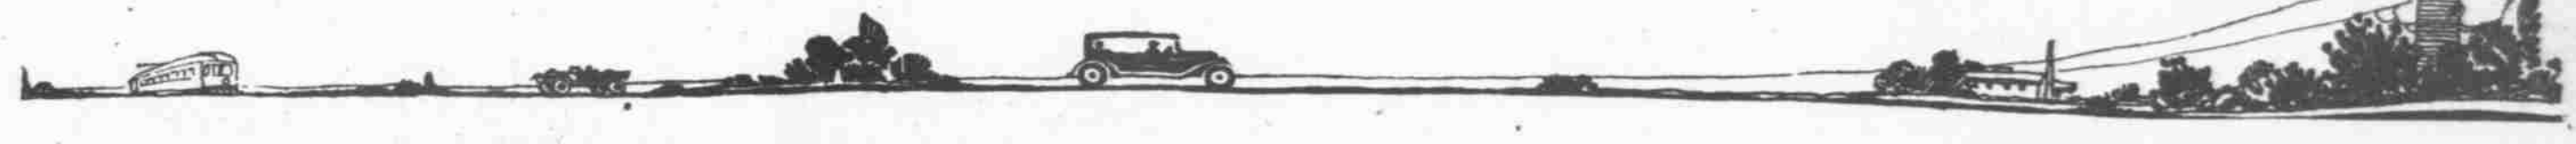

The J. W. Holloway Company are experienced real estate developers, who have successfully subdivided large tracts of land and enable the average man and woman to become a land owner. Our business is to locate cities that are rapidly expanding and to then buy up large holdings of land adjacent to them and split these holdings up into lots. Our latest success was that of Colmar Manor, developed last year. We have successfully developed suburbs in Atlanta, Ga., Wilmington, Del., Baltimore, Md., Trenton, N. J., and New Haven, Conn. We have never in all our business career offered the public a more attractive proposition, more desirable or more beautiful lots, more conveniently located, nor on easier terms than we are in this great offer of Riverdale Heights lots at \$59.00. Riverdale Heights has an assured future. We could see it. It cost a great deal more than most of the large holdings which we have taken over and developed, but we thought it was worth the price and we paid it. Riverdale Heights is an opportunity. Now you are offered this opportunity.
